

Take The Stress Out Of Surgery

*With Your Own Surgical
Support Team*

When facing surgery, the unknowns can feel overwhelming.

With Goldfinch Health, you can relax, knowing that you'll gain access to the best doctors, approaches and techniques available. You'll even have support from your own personal nurse 24/7 to help guide you every step of the way. And best of all, Goldfinch Health is provided at no extra cost to you by your health plan.

If you need an operation, we'll help guide you through surgery and recovery including:

- A surgical gameplan proven to shorten your recovery time by over 30 days on average
- A pain management plan that reduces pain and the need for opioids.
- Access to surgeons using the most advanced techniques
- A surgical approach that significantly lowers the chance of complications
- A personal nurse who ensures you are not alone every step of the way through your entire recovery
